Retreat
Weekend

Kampala International Church

Kampala International Church is a vibrant community of Christians from around the world who live in Uganda, and are united in their desire to follow Christ. Each Sunday at 10am, we meet in various locations around Kampala for a worship service and bible teaching, followed by a casual conversation over coffee. In addition, we have an exciting social calendar throughout the year that includes a men's fellowship, women's fellowship, youth ministry, picnics and barbecues among many more.
